

December

🎵 Rockin' around the Du Ca Ti, have a happy holiday. 🎵

The holidays are here, we at DucPac HQ hope you had a refreshing break this past weekend. May holiday planning, Q4 deliverables, social obligations, finances, or any other year end anxieties be kind to your soul as we wind down 2024. Snow and ice and freezing fog are in the forecast in places, some of you have winter sports to start, and others have maintenance they've been putting off (clean your air filter Jonas!).

Nevermind the weather or your to-do lists though; we have things to talk about. Do we risk this email being buried in the incessant march of CYBER SALE EXTENDED ONE MORE DAY emails this week? Yes; yes we do. But we do it anyway! Not because it is easy, but because we are lazy and I'm writing this at the last minute. Grab your cozy socks, pour a warm drink, and gather 'round.

Reeeeeeeecap!

76 new members, 21 DucPac Meetups, 12 Sunday rides, 6 Board Meetings, FIVE SPEEEEEEDING TICKETS!!! Four Turtle Doves, Three French Hens,

Two Turtle Doves, and Hero as a new GM. Now start the paragraph over in tune.

The speeding tickets thing might be made up, it might not. We (per our ChatGPT lawyer) don't condone that sort of behavior. It has been a WILD year and we want to thank all of you for taking the ride with us. Seriously. The meetups, members helping each other out, making new friends, riding new roads, jumping into new segments of riding; this year has been amazing. It's hard to capture just how phenomenal everyone has been in an email short enough that you actually read it.

Instead of trying to tell you, we want you to show US; and everyone else. We want to see pictures of YOUR 2024 Ducati Pacifica memories. **All this month drop your favorites on Instagram with #DucPac2024 and don't forget to tag @ducatipacifica.** Don't have Instagram? Expect there to be a picture thread in the moto-pics channel on the club [Discord](#). Let's braaaaap to the finish line and take a look back at everything YOU'VE done.

Before moving on to new business; shout out to Chris M and Aron S who both joined our member roles this month. Welcome!

PERKS!!!!

Fine I'll do it, I'll recycle this text block from last month

March 16th 2025 - Ducati Pacifica is showing up for the Portland Shamrock Run. Get on the Discord for encouragement or questions and put those shoes on this winter to engage in some human preventative maintenance routines. You keep your bike on a tender when it's garaged, keep that heart on one too so we can slay in the spring. You don't even need to be an

official Ducati Pacifica member to participate, so come run with us. Join our team at the link [here](#). If that doesn't work the team name is Ducati Pacifica and the password is "fine I'll do it". Most are running the 5k, but you can still be on the team if you want to run the 8k or half marathon.

January Events

It's too soon to tell! But expect the 1st and 3rd Thursday meetups to continue, and the 2nd Sunday ride to happen, just maybe not on Sunday. Stay tuned on socials, Discord, and the Ducati Pacifica and MotoCorsa calendars.

A little bird told me there might be a Motocorsa X DucPac Winter Party in there somewhere. Details to follow.

The Finish Line

That's a wrap for the December blast but there's still sunny days to get the bikes out this month. (it's not like the weather stops us.) The Second Sunday rides will continue (though maybe not always exactly on the second Sunday for the next few months). DucPac Board meeting and 2025 planning is happening this weekend. In next month's email we should be sharing some of what's coming next year and start talking about some of the feedback we received from the 2024 Member Survey.

As always, follow us on Instagram [@ducatipacifica](https://www.instagram.com/ducatipacifica).
